100 years ago,

Ellison Park became the first park in the Monroe County parks system, a system now rich with 22 diverse parks spanning the county. The Parks 100 Celebration honors the evolution of the beloved parks system and recommits to the continual stewardship of these natural assets. The events and activities held throughout the year will invite us to share stories that connect our community to the parks that we love.

ADAM J. BELLO
COUNTY EXECUTIVE

	ABRAHAM LINCOLN PARK	Celebrate special occasions in a waterfront lodge.
	BLACK CREEK PARK	Search for 24 geo-caches.
	GARY BEIKIRCH MEMORIAL PARK	Honor our local veterans at the memorials.
