

# THANKSGIVING AT HIGHLAND

We're Thankful for our Beautiful County Parks

Can you imagine a better place to spend Thanksgiving than a county park? Many of our parks have lodges to house you and your family (up to 50 people under state Covid restrictions) this Thanksgiving. Pictured is our Olmsted Lodge located within Highland Park, along with a number of our other facilities is a great place to host Thanksgiving. Many of our higher end facilities come equipped with kitchen amenities, and plenty of space to socially distance. Visit our website, [monroecounty.gov/parks](http://monroecounty.gov/parks), or call 585-753-7275 for more information on the lodge or to make a booking
