

Monroe County Planning Development Review Area Online Map Instructions

To access the online map:

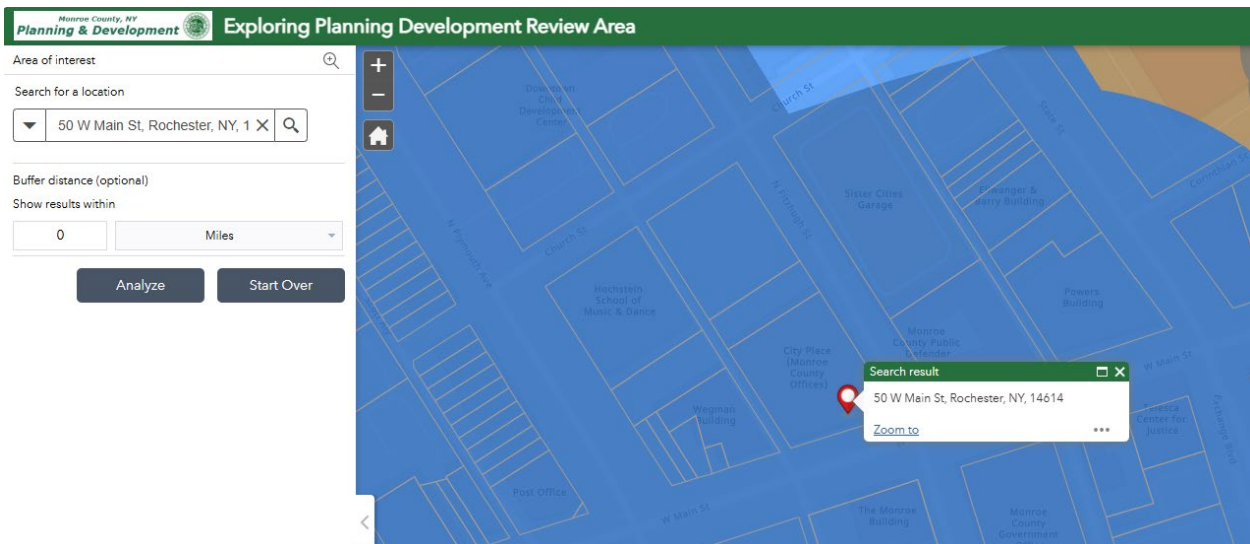

<https://maps.monroecounty.gov/portal/apps/webappviewer/index.html?id=4f7d24ff60db482a81400ff243e75622>

Step 1: Read the pop-up disclaimer and click OK to view the map

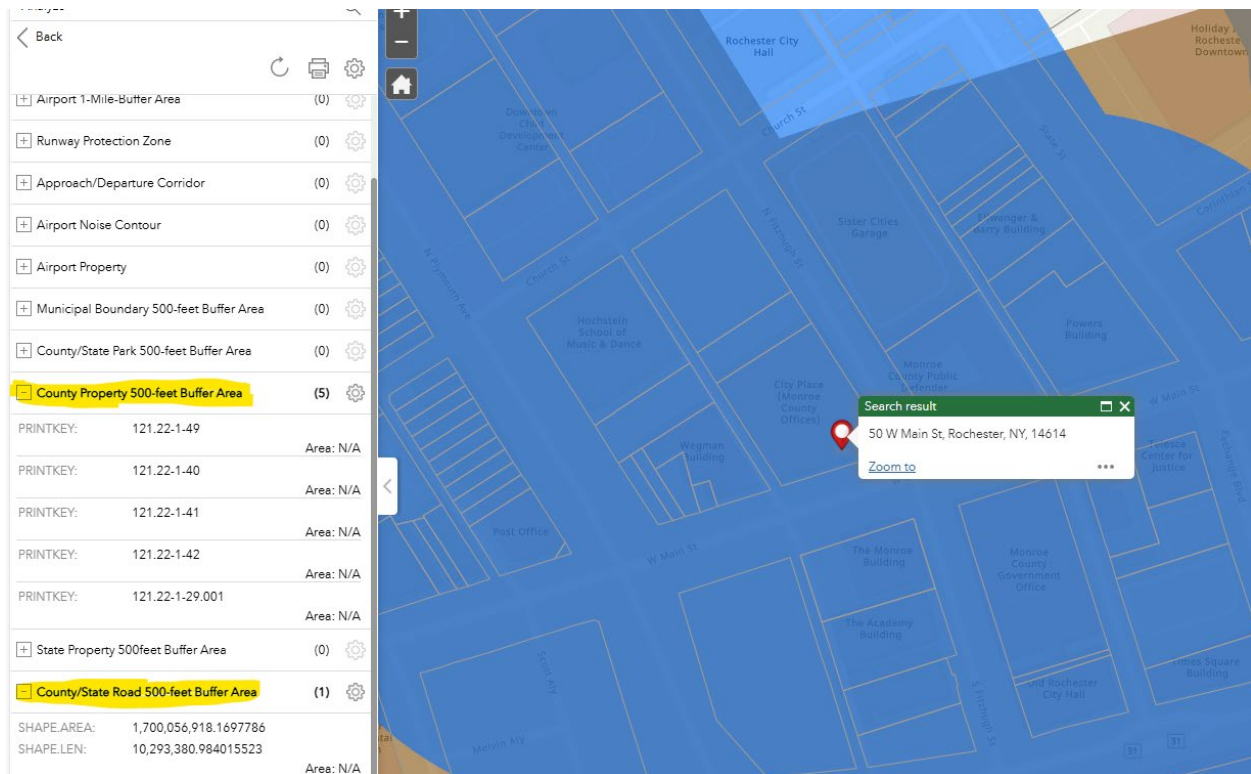

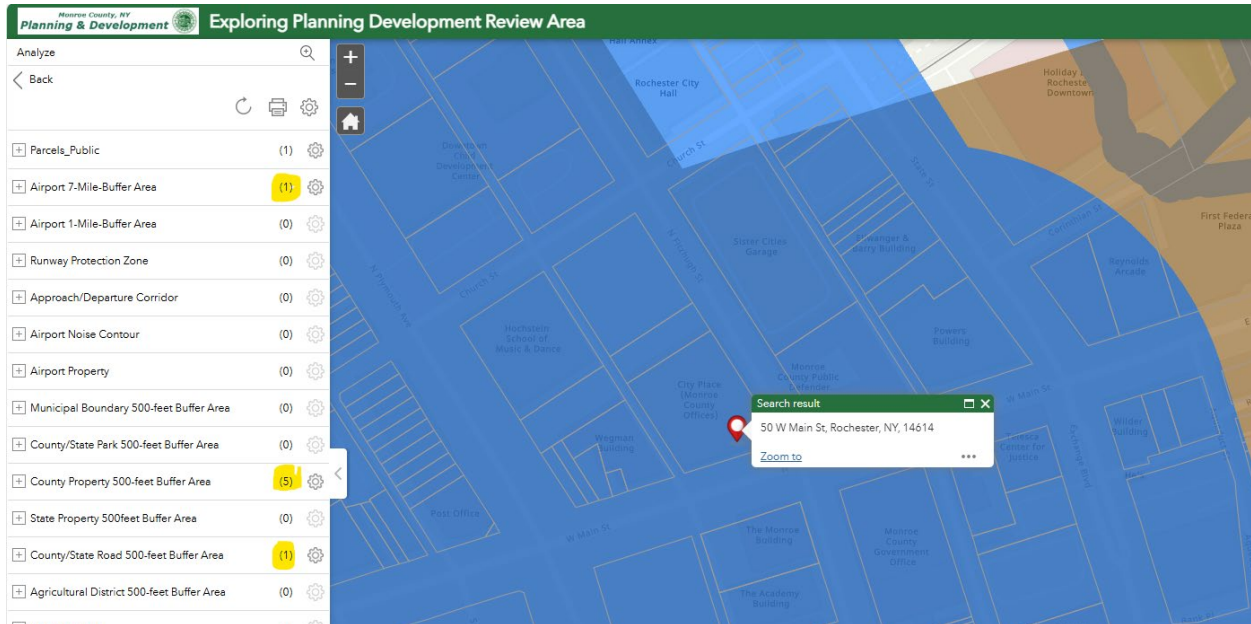

Step 2: Enter an address or parcel tax ID in the “Find address or place” box, Click enter or Search icon.

Step 3: Map will be zoomed in to the entered address location. A pop-up window will show the parcel information. Double check the parcel information to make sure the parcel matched the parcel that you are searching for.

Step 4: Click on **“Analyze”** button. Results will appear on the left—if “0,” it indicates no trigger; whereas “1” or greater indicates the location is within a review area. **Please note** these results reflect only geographic 239 triggers. For other 239 review requirements, please refer to: [NYS GML 239 m & n](#) . Click on each layer for more details.

Step 4: Click **< back** button or click **“Start Over”** to start another search.
