

MONROE COUNTY CAR SEAT INSTALLATION CHECK LOCATIONS (2025)

For a virtual appointment call (585) 753-3130 or email trafficsafety@monroecounty.gov

A crash can happen any time – even if you are a good driver. It is important to use the appropriate car seat based upon your child's age and size.

New York State law requires all children to be restrained in an appropriate child restraint system while riding in a motor vehicle, until they reach their 8th birthday. All children **under the age of 2 must ride in a rear-facing car seat.**

All locations require an appointment
