The Monroe County Crime Laboratory is pleased to offer internship opportunities to students pursuing a degree in forensic science, biology, chemistry, criminal justice, or related fields. The internship provides students with an opportunity to learn about laboratory operations and gain insight into the roles and responsibilities of forensic laboratory professionals. Interns may participate in educational activities, research, and administrative projects under the guidance of laboratory staff.

Minimum Requirements:

- Pursuing (at a minimum) an undergraduate degree in Forensic Science, Criminal Justice or a closely related field
- Be in at least their junior year at the time of the internship
- Remain in good academic standing with your college/university
- Pass a criminal background check

Steps to Apply:

- Complete the Application for Internship Form
- Submit all required documents in one email to MCCLInternship@monroecounty.gov
    - Application for Internship Form
    - Cover letter
    - Resume
    - Unofficial Transcripts
    - Letter of recommendation from a professor in your current field of study

Internship Dates	Application Submission Dates	Internship Hours
Summer	1st February - 31st March	Minimum 150 hours
Fall / Winter	1st July - 31st August	7-10 hours/week (minimum 6 weeks)

Applications submitted outside the above timeframes will not be considered.

Important Information:

- This is an unpaid internship
- The exact start dates and length of the internship will be determined on an individual basis.
- Students are required to arrange for their own transportation/parking/housing during the course of the internship
- Your internship application will be considered incomplete and will not be accepted if all required documents are not included
- Internship will be conducted during normal Laboratory operating hours (Monday - Friday 8am – 4pm), excluding Monroe County recognized holidays
