- Project Exile

2) Perform a comprehensive review of current Sheriff's Office deployments, strategies, policies, procedures, and practices

Beginning August 2020, a plan has been in development and a MCSO deputy has been assigned to manage the project through to completion

\* Values based culture which began in 2018 is a very important part of our vision

Over thirty general orders (policies/procedures) are under evaluation and review based upon DCJS standards. Topics including but not limited to:

- Community Engagement
- Mental Health Intervention
- Recruitment
- Training

- Marginalized Communities
- Patrol Procedures
- Implicit Bias
- Subject Management (Use of Force)

3) The plan shall be offered for public comment, and after consideration of such comments, shall be ratified by resolution or adopted by local law, no later than April 1, 2021

- MCSO implemented a Community Engagement Survey to the residents of Monroe County (October 26, 2020 – November 1, 2020)
- In collaboration with Roberts Wesleyan, we are conducting survey's on incarcerated youth, high school students, and school mental health and social work employees
- Approved Plan will be published publicly and progress tracked

4) The county shall transmit a certification to the Director of the Budget that the process has been complied with and the resolution or local law has been adopted

 Once approval is received, Monroe County will be able to continue to receive state funding

# The Monroe County Sheriff's Office

Overview of Current Efforts

### The Monroe County Sheriff's Office

A Values Based Culture... Development began in 2018 with roll out in 2020

#### MISSION

The Monroe County Sheriff's Office commits to securing a safe and prosperous community and cultivating the trust and respect of all those we serve by providing exemplary law enforcement services

#### INTENT

Within three years, the MCSO will be "One Team" of diverse professionals, empowered and collab- orating internally and externally to accomplish our mission

# Because we value respect, integrity, teamwork and excellence...

- We will listen to our colleagues, community members, and collaborative organizations
- We will seek to understand, follow up, and follow through in order to build trust
- We will work to build others up in all we do and always do the right thing, even when no one is looking
- We will continue to be proud of our profession and set the highest standards for our training

### **Law Enforcement Accreditation**

For several years MCSO was also nationally accredited through CALEA, eventually staffing / funding issues impacted our decision to focus our resources on NYS accreditation. However, we still achieve similarly high standards through NYS

MCSO is Accredited through the New York State program which has four principle goals:

- ✓ To increase the effectiveness and efficiency of law enforcement agencies utilizing existing personnel, equipment and facilities
- ✓ To promote increased cooperation and coordination among law enforcement agencies and other agencies
- ✓ To ensure appropriate training of law enforcement personnel
- $\checkmark\,$  To promote public confidence

The Police Bureau was initially accredited in 1992, and subsequently reaccredited in 1997, 2002, 2007, 2012 and 2017

#### **MCSO General Orders Under Review**

005-16 Use of Restraining Devices
012-18 Less Lethal Weapons
015-09 Firearms Deadly Physical Force
033-19 Response to Resistance Aggression and Subject Management Resistance Report
019-13 Community Services Unit
077-20 Ride-Along Program
52-19 Special Events
22-P-19 Bias-Based Profiling
48-11 Sgt and Invs Sgt Training Programs
021-16 Internal Affairs Unit
097-18 Employee Assistance Program (EAP)
28-11 Bias Hate Crime Investigations

Our review is not limited to just the above policies. The list continues to change and expand to adjust to growth and needs of our communities and the agency 12

# What is the role of a Monroe County Sheriff's Road Patrol Deputy?

Responsible for the impartial enforcement of all Federal, State and Local

ordinances, the preservation of peace, and the protection of lives and property

Exercise good working knowledge of:

- Standard departmental operating procedures
- Federal and State laws such as the Penal Law (NYSPL), Criminal Procedure Law (NYSCPL), and Vehicle and Traffic Law (NYSVTL)
- Rules and regulations regarding proper search of persons and premises
- Ability to manage violence and/or resistance through de-escalation and if necessary physical force
- Recognizing Human behavior under normal and stressful conditions
- Local ordinances, constitutional law and other applicable laws

These fundamental responsibilities are not all inclusive. More and more deputies are requested to resolve all sorts of situations ranging from entering burning buildings to coaching families on internet and social media risks.

14

#### **Monroe County Sheriff's Total Calls for Service**

Since 1994, 911 calls have increased over time. The linear forecast (blue line) shows calls for service will continue to increase as time progresses. The amount of Deputies available to take calls has remained the same since early 1994. Expectation of resources applied to calls has only expanded and grown. Additional demands such as community engagement activities make it difficult to operate safely and keep up with the growing demand

# **MCSO** Training

- MCSO has a dedicated training unit for each bureau in order to track completion, maximize opportunities and evaluate success
- New recruits attend joint police academy at PSTF where we exceed the 700 mandated training hours by conducting close to 1100 hours
- Newly hired recruits are in probationary status until 18 months after date of hire
- Permanent status deputies attend 24 hours of yearly in-service (refresher) training
- Specialized Unit Training
- Supervisory/Promotional Training

### **MCSO De-Escalation Training**

#### State Mandated Basic Police Training (New York State Requirements)

- Active Shooter
- Cultural Diversity, Bias Incidents, Sexual Harassment
- Dealing with the Public/Conflict Resolution
- Decision Making
- Defensive Tactics
- Effective Communication
- Emotionally Disturbed Persons
- Ethical Awareness
- Field Training
- Interview and Interrogation
- Observation & Perception
- Reality Based Training
- Subject Management / Article 35

- \* Additional Topics as Necessary and per Chief request

In Service/Post Academy Training

(Refreshment training throughout one's

career)

In 2020, In-service training was comprised of AED, CPR and tactical medicine, Suicide Prevention, TASER, Mobile Field Force, defensive tactics, and firearms regualification

### **MCSO De-Escalation Training Example**

Below is a sample of a typical Reality Based Training scenario that all MCSO members have successfully completed.

Scenario: Deputies respond to a call for a possible Emotionally Disturbed Person armed with a knife

#### Evaluated sub-skills

- Demonstrate proper observation, awareness and interview skills to pick up on signs of emotional disturbance.
- ✓ Demonstrate proper knowledge of Article 35 by making good officer safety decisions.
- Demonstrate effective communication to build rapport and help de-escalate the situation and resolve the conflict.
- Demonstrate appropriate defensive tactics and if needed a reasonable about of force to gain control and custody of the individual. MCSO Policy requires deputies to "seek to employ the reasonable amount of force required to successfully overcome physical resistance, prevent escapes and effect arrests."

Anyone who does not properly demonstrate the above sub-skills will be receive remedial training until they can successfully demonstrate the proper sub skills listed above. All remedial training is documented.

22

## **Defensive Tactics & Managing Physical Aggression**

- In 2017, The Monroe County Sheriff's Office helped develop the current Defensive Tactics (DT) Program curriculum in collaboration with the New York State Department of Criminal Justice System (NYS DCJS)
- Deputies are educated in head control <u>but not choke holds or</u> <u>neck restraints</u>
- Currently road patrol deputies perform hands on Defensive Tactics training on average once per year. The topic is chosen by the Chief Deputy and the training unit. Recently, we have been conducting hands on in-service each year and additional roll call training on various topics (i.e. Deescalation)

Source: Call volume stats provided by the City of Rochester/Monroe County Emergency Communications Department/Use of force stats provided by Standards and Compliance

### **Perception of Militarization**

An often discussed topic within police reform

- MCSO's Special Weapon's and Tactics (SWAT) team is a NYS certified Tactical Team based on FEMA Standards, and NYS DCJS standards
- Certain incidents require specialized units who are better equipped to handle special circumstances
- Certain military training techniques and tactics are used during extremely high risk circumstances because they offer the highest degree of success. These include leadership methods, mission planning and safety protocols
  - Despite some perceptions; MCSO does not use "grenades", rubber bullets, "machine guns", or "tanks". Armored vehicles and less lethal uses of force are used for safety of our deputies and the community for potentially deadly situations. We recognize the difference between these events and peaceful protests

### **MCSO Personnel Accountability**

The Internal Affairs Department ...

- Receives complaints against employees by the public or from another employee through different mechanisms such as email, phone calls, hand written letters or directly speaking in person to a member of the Internal Affairs Unit
- Has investigated approximately 235 complaints referred to the unit by the public or other employees since 2015 to the present. Of the 235, 91 were disciplined
- Complaints are given a tracking/reference number, and documented. Any complaint that is investigated by the Internal Affairs Unit is given a final disposition at the conclusion of the investigation and presented to the Sheriff for determination
- Internal audits are conducted annually on all sections by the Standards and Compliance Unit, written reports go directly to the Bureau Chief and Sheriff

**Note**: Minor complaints and compliments are investigated and documented by MCSO supervisors and command staff

### **Building an Inclusive Workplace**

**Recent Progress** – approx. 50% Increase in the number of people of color participating in the Civil Service Process. Appointed three (3) people of color to Executive Command level positions.

#### **Prep Programs**

MCSO offers prep for the written exam and physical agility. This is an area for MCSO to improve upon and provide more resources for individuals trying to get into the field

#### Project T.I.P.S.

Regularly occurring community get togethers with law enforcement which take place in a different urban location on a bi-weekly basis throughout the summer months

#### Bridge the Gap

A community cook out that brings together city residents, local churches and law enforcement

### **Constructive Input from the Community**

During the year 2020, conversation between the community and law enforcement identifies the following input...

- Regularly scheduled neighborhood meetings
- More community outreach and LEO's attend events
- Collaboration with other law enforcement agencies
- Reduce 911 dependence by using more community resources (mental health, domestic violence, etc.)
- Bias training for LEOs/training for interacting with different cultures
- Triage 911 calls
- "Demilitarization" of the Police
- Diversity in the police department

# **MCSO Outreach with Marginalized Communities**

- \* Autism Community
- Blind Community
- Deaf and/or Hard of Hearing Community
- Immigrant Refugee and Resettled Residents Community
- LGBTQI Community
- Military Veterans

#### Findings

Based on the conversations had with the listed communities above, they are requesting and looking for services already offered by MCSO, such as interpreter services, deputies live where they police, community engagement deputies, domestic violence advocates, etc.

#### MCSD takeaway

The MCSO needs to make more of an effort promoting and bringing awareness to the services offered to the community by our agency. It is our mission to assist every individual in need no matter of age, race, or sexual orientation

## **Use of Force (Subject Management) Definitions**

#### Use of Force

Any force used against another person applied to overcome resistance and achieve compliance, including the use of agency issued and approved lethal or less-lethal weapons

#### **Physical Injury**

means impairment of physical condition or substantial pain

#### Serious Physical Injury

means physical injury which creates a substantial risk of death, or which causes death or serious and protracted disfigurement, protracted impairment of health or protracted loss or impairment of the function of any bodily organ

#### Deadly physical force

means physical force which, under the circumstances of which it is used, is readily capable of causing death or serious physical injury

48

## **MCSO Subject Management Investigations**

- Immediately following a subject management, a supervisor and command officer shall respond to the scene to conduct a thorough investigation
- Interviews are conducted and statements are recorded from witnesses, all involved deputies, and the individual the force was used on
- Video footage (body cameras/surveillance) is collected for review
- A technician responds to take photographs of the scene, the individual involved, and any deputies for injuries
- Following the incident, command staff shall determine if there was proper justification for the use of force, and if it was reasonable based upon the totality of the circumstances in which the force is used
- Reports are forwarded to the Chief Deputy who reviews them for compliance and training value and tracked for Early Warning System review. When appropriate referrals are made to the Internal Affairs Unit

## **MCSO Vehicle and Traffic Enforcement**

### MCSO Vehicle and Traffic Community Outreach Program (currently in development)

- Interactive community outreach program/educational class based on police involved interactions with traffic enforcement
- An opportunity for the community to educate themselves on "why the police do what they do" on a traffic stop

### **Traffic Warning System (Awaiting Software Implementation)**

 MCSO is in the development of a system for issuing, tracking and researching <u>written</u> warning tickets road side during traffic stops, as opposed to writing a citation

## **MCSO's Mental Health Initiative**

In collaboration with the Monroe County Office of Mental Health (MCOMH), the Forensic Intervention Team (FIT) was established to assist the Monroe County Sheriff's Office and other agencies with mental health crisis calls

### What does FIT do?

The FIT Team is comprised of uniquely trained clinicians who are partnered with all of the Monroe County's eleven law enforcement agencies. The goal of the FIT Team is to introduce and/or better connect individuals to available services and treatments in regards to their mental health need.

### Who is eligible to use these sources?

Anyone in need of a crisis intervention

## What are the programs long term goals?

To build upon continued successes engaging the right resources for individuals in crisis to help accommodate. MCOH partnered with law enforcement to provide additional clinicians to provide training and resources when necessary. This collaboration can serve as a template for expand the program to other types of crisis calls.

OF NEW

## **MCSO Crisis Intervention Team**

The Monroe County Sheriff's Office provides specialized training for Deputies to help provide to those in a mental health crisis'; The MCSO Crisis Intervention Team (CIT)

### What is the Crisis Intervention Team?

The Crisis Intervention Team (CIT) is a team of specially trained deputies who have volunteered and are responsible for responding to, and following up with certain types of services related to mental health and emotional disturbances

### Are all Deputies trained?

As of right now, MCSO has only 31 (out of 207 road patrol deputies) on the team. The school is only held twice a year and limited spaces which makes it a challenge for having all deputies trained

## What are the programs long term goal?

The long term goal is to provide training for all deputies in the Police Bureau and also continue to providing effective communication and resources to those in need

## **Mental Hygiene Transport Statistics**

Since 2015, Mental Hygiene Transports have increased over 47%

## MCSO Recruitment Roadblocks...

- MCSO is unable to prepare advertising contracts in time due to the last minute civil service postings
- **\*** Cross filing is confusing for the candidates
- NYS test results take three to four months to return and this is unacceptable. The whole process could take up to two years to be hired

Goals and our future of policing

### **Deputy Response to Survey/Analysis of trends**

*To gather input from the deputies responding to 911 calls , they were asked three separate questions. Below and slides following are the top three answers to each* 

1. What can MCSD improve on to better support the road patrol?

- Be more transparent and supportive of Deputies. Share information with the public and have open dialogue regarding critical incidents. Explain to the public why deputies do the things they do and let the public get the correct story from the beginning
- Encourage deputies and create more opportunities for them to spontaneously support and engage with the community, directed foot patrols, more foot patrols in high traffic areas, and walking their beat, deputies do not currently have available time for this
  - Educate the public on how deputies handle calls, and how being uncooperative can escalate a situation. Release body camera footage to get facts out quickly
    <sup>56</sup>

Goals and our future of policing

### **Deputy Response to Survey/Analysis of trends continued...**

2. What internal barriers exist that prevent deputies from engaging with the community?

- Archaic methods of record keeping; redundancy and paperwork create barriers as deputies are being unnecessarily tied up on arrests for hours due to old technology
- Not enough manpower, currently only budgeted for minimum staffing. Responsibilities have grown significantly for the deputies, with no staff increases since the early 90's
- Limited staffing makes it difficult for deputies to cover their districts properly, creates an officer safety concern when deputies are getting pulled away for community engagement details or tied up on significant investigations

3. What are some ideas that can help create positive interactions between Deputies and community groups?

- Educate the public on Reality Based Training, Defensive Tactics, Use of Force Simulator, and de-escalation training by allowing community members, media, or general public to participate in that training and let them see the decisions police have to make on a day to day basis
- Open Houses, community discussions and everyday conversations. Opportunity for families to interact with the deputies and ask questions to the deputies patrolling their areas. Allowing the deputies and the public to get to know each other
- Meet with community groups about policing, attend events or sit downs without taking cars out of service

Survey responses are from all sworn Police Bureau members

57

Goals and our future of policing

MCSO has partnered with Roberts Wesleyan College in surveying the following groups on police reform through the lens of law enforcement, academia, and restorative justice:

- Incarcerated Youth
- Youth Receiving independent life/building skills from the Juvenile Justice System
- Youth Receiving independent life/building skills from Social Services
- Students enrolled in agency school programs (6-12)
- Students enrolled in undergraduate/graduate social work, and criminal justice programs
- Teachers/Staff working in educational programs for students and staff with severe behavior/emotional needs
- Mental Health Professional/Staff working with clients within a residential treatment facility
- Professional & Direct Care employees working with individuals on mental health needs, behavioral disorders and developmental disabilities

Roberts Wesleyan is exploring the creation of a cross-disciplinary minor in the fields of study to include Criminal Justice, Social Work and Psychology
