Re: Exemption pursuant to Chapter §384-6 (L) (3) – Jewelry and Coin

Dear Sheriff Todd Baxter:

I am a NYS licensed CPA, license number CPA License Number.

I represent _____ . Please note that pursuant to County Law §384-6 (L) (3), the above business's annual gross retail sales are comprised of less than 15% of second hand articles.

Accordingly, the business is exempt from licensing under the Pawnbrokers, Secondhand Dealers and Jewelry and Coin Exchange Dealers chapter of the Monroe County Law. In arriving at this conclusion, I reviewed the corporation's report of secondhand sales, compared to the total sales for Current Year calendar year thus far.

Very truly yours,

Certified Public Accountant
