**Description of Duties:**

This is a trainee level Probation Officer position for college graduates with a career interest in probation. Trainees receive on-the-job training while performing duties of a limited professional nature under close and continuing supervision. Trainee appointments are for a period of two (2) years, following which incumbents receiving satisfactory ratings will be advanced to the title of Probation Officer without further examination.

**Scope of Examination:**

A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Establishing and maintaining working relationships with defendants/respondents and probationers

Questions present descriptions of situations typically encountered in working with clients in such areas as obtaining information from clients and exploring clients' social, psychological or legal problems. Candidates will be required to choose the best analysis of, solution to, or approach for handling the problem described. In addition, some questions may test for understanding of correct reasons, arguments or factors regarding typical concepts encountered in working with clients.

2. Preparing Written Material

These questions test for the ability to write the kinds of reports and correspondence required in criminal justice settings such as probation and parole. Some questions test for the ability to present information clearly and accurately. Others test for the ability to organize paragraphs logically and comprehensibly.

**Calculators and Reference Materials:**

Most civil service written tests do not require the use of a calculator or slide rule. However, the use of calculators is **ALLOWED** for this exam.
